Lucía is a ray of sunshine, she constantly helps me, not only in my learning of the Spanish language but also in the enrichment of my understanding of the culture of Spain. I feel I now have such a complex idea of what Spain is like, and am extremely keen to visit in the future, all thanks to Lucía. She makes me feel confident when I speak Spanish and continues to impress me with her extensive knowledge of the English language. She is not afraid to ask questions and is always happy to answer any questions I may have. She definitely deserves this award as **she is a hard working, studious and unbelievably kind Spellian partner.**

From the very beginning, **Luis has been an encouraging, friendly and incredible Spanish speaking partner.** He has helped me feel more confident when talking in Spanish and is always there to help me when I am struggling with a task or some vocabulary. His English is incredible and **he is always focusing and engaging in the sessions and is a very dedicated to improving his English even further! Luis has never missed a session** and we have contact with one another in the case that one of us cannot attend, and this is always in advance. He is super friendly and we always talk together at the end of the session and get all of the tasks done - he is a very considerate partner and I am very glad to have him as my Spellian partner. I think that he is very deserving of getting the Federica Micucci Award!

Aitana is always very kind and helps me when I am unsure of what to say and she is consistently on time to the sessions. She has really helped me to improve my Spanish speaking and I am glad I have such a helpful and reassuring partner.

Cristina always shows up to sessions (or lets me know if she can't) and when she she turns up **it's always with a positive and helpful attitude.** She makes me feel ok about making mistakes and helps me to not make them in the future. She really deserves this award for **her commitment and kindness in all our sessions.**

Other than the given attributes that are needed for a Spellian partner (ie. kindness, helpfulness and supportiveness), Sofía has helped my Spanish to excel beyond that of how I started. **Every session she starts smiling and is always checking up on me and how I'm doing.** She emails me to check up on me and has become a helpful and good friend. **Additionally, she has become so good at her English. She tries so hard and is always strengthening her ability. She almost speaks it as well as I do!!** I really hope you put her forward for this award!
